Guidelines

Definitions:

Deferral: postponement of commencement of a course.

Suspension: temporary postponement of enrolment during a course.

Cancellation: cessation of enrolment in a course.

Students wishing to defer, suspend or cancel enrolment must meet one of the following conditions:

- unavailability of a course;
- visa delay; and/or
- compassionate and compelling circumstances – these are generally beyond the control of the student and have an impact on the student's course progress or well-being.

Compassionate and compelling circumstances could include but are not limited to:

- Serious illness or injury where medical certificate states that the student was or will be unable to attend classes;
- Bereavement of close family members such as parents or grandparents (where possible death certificates should be provided);
- Major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies; or
- Traumatic experience which could include: involvement in, or witnessing of a serious accident; or witnessing or being the victim of a serious crime, and this has impacted on the student (these cases should be supported by police or psychologists' reports)

Supporting documents must be provided upon application e.g. medical certificates, police reports etc and retained on the student's file.

Where NCPS initiates a deferral, suspension or cancellation the following applies:

- Notices will clearly identify that a student will be given 20 days to access the College’s internal complaints and appeals process;
- When the appeals process is initiated, NCPS will maintain the student's enrolment until the internal appeals process is complete;
NCPS reserves the right to provide alternative learning opportunities during this process where the intention to defer, suspend or cancel enrolment is a result of the student’s misbehaviour or other reasons that may disrupt the effective learning of other students.

- The suspension or cancellation will be notified to DEEWR on completion of the 20 days or at the end of the appeals process if the appeal is not upheld; and
- Students may access NCPS’ external appeals process however DEEWR may be notified prior to the outcome of this appeal.
